SPONSORSHIP LEVELS

The leadership of the UCLA Anderson Energy Management Group would like to invite you to be a part of our flagship event and the largest student led energy conference in California, the Energy Innovation Conference. This year it will be April 14th, 2017 and held on UCLA Anderson’s campus. The theme will be discussing distributed energy from Cypress Creek’s localized solar farms on underutilized land to Intel’s IoT security focus around the evolution of the Smart Grid.
