

# ENERGY INNOVATION CONFERENCE 2018

*Powering Energy Evolution*

Monday, April 16<sup>th</sup>, 2018 9:00am – 5:00pm | UCLA Anderson Korn Convocation Hall

The UCLA Anderson Energy Innovation Conference is an annual event that brings together professionals, students, and academics with a passion for energy and to showcase innovative leaders and technologies with the potential to reinvent the energy industry.

## Corporate Partnerships

We invite you to become a corporate partner through sponsorship. As a partner you will receive exposure to over 150 industry professionals in addition to the greater UCLA community. We encourage you to collaborate with us in putting on the largest student-led energy conference in California.
